

Your Seaside Castle

Your castle for a week

Welcome to the beautiful Isle of Palms. Our beach house is located across the street from one of the most inviting beaches on the East Coast with easy beach access. The house is surrounded with decks allowing you to enjoy ocean breezes and has a large yard for grilling out, lounging in a hammock, or many other outdoor activities. You are located just blocks from the Isle of Palms Marina which provides a boat ramp and trailer parking, so feel free to bring your boat.

This three story home has a great floor plan. On the first floor, you will find a self-contained living area with two bedrooms, one bath, a kitchen, dining area, a deck and screened porch. One bedroom contains a

queen bed and the other bedroom has two single beds. The main living area is located on the second floor complete with a large kitchen, sunroom, three bedrooms, and two baths.
